COMMENT TO STAFF: The Project Manager must ensure that all applicable environmental ordinances are complied with to the extent that these ordinances apply to the project.

I. HABITAT LOSS PERMIT ORDINANCE – Does the proposed project conform to the Habitat Loss Permit/Coastal Sage Scrub Ordinance findings?

YES

NO

NOT APPLICABLE/EXEMPT

Discussion:

The project proposes a General Plan Amendment to the County Noise Element. The General Plan Amendment would serve to clean-up existing language contained within the existing Noise Element Policy 4b pertaining to interior and exterior noise standards for noise sensitive land uses. The update to Noise Element Policy 4b would provide improved guidance for staff and applicants when designing and review projects for compliance with on- and off-site noise sources which may affect noise sensitive land uses on project sites. Therefore this General Plan Amendment would not effect the implementation of the Habitat Loss Permit Ordinance.
